- If children and families are to receive the **right help at the right time, everyone** who comes into contact with children and their

## 2. ETHOS

At **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** children’s welfare is of paramount importance to us, and we are a child centred organisation. Our children are reassured that they have a voice, will be listened to and what they say will be taken seriously. They know that they will be supported and kept safe. They will never be given the impression that they are creating a problem by reporting abuse.

Children are encouraged to talk freely with staff if they are worried or concerned about something and our staff understand that a victim of any type of abuse should never feel ashamed for making a report. Their views and wishes will inform any assessment and provision for them.

We make every effort to listen to and capture the voice of children to enable us to have a clear understanding of their daily lived experiences.

We are aware that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected and/or they

---

<sup>1</sup> In Staffordshire, for example, this would be the [StaffsSCB](#)

may not recognise their experiences as harmful. They may feel embarrassed, humiliated or being threatened. This could be due to vulnerability, disability and/or sexual orientation or language barriers.

This does not prevent ALL staff from having professional curiosity and speaking to the DSL if they have concerns about a child and our staff determine how best to build trusted relationships with children which facilitate this communication

We understand our statutory duty to safeguard and promote the welfare of children and we maintain a professional attitude of '**it could happen here**' where safeguarding is concerned. We expect **ALL** Members, Associates and visitors to share our commitment, maintaining a safe environment and a culture of vigilance.

Everyone has a responsibility to **act without delay** to protect children by reporting anything that might suggest a child is being abused or neglected. It is our willingness to work safely and challenge inappropriate behaviours, that underpins this commitment. We work in partnership with families and other agencies to improve the outcomes for children who are vulnerable or in need.

We have a culture of vigilance and staff are confident and competent in the timely challenge of unacceptable behaviours and these are dealt with appropriately and robustly. Staff do not accept these behaviours as 'banter' 'having a laugh' or 'part of growing up'.

**All** members and associates are encouraged to report any concerns that they have and not to see these as insignificant. On occasions, a referral is justified by a single incident, such as an injury or disclosure of abuse. However, concerns can accumulate over time and are evidenced by building a picture of harm, particularly true in cases of abuse or neglect.

We know that it is crucial that our staff record and pass on any concerns in a timely manner and in accordance with this policy, to allow the DSL to build up a picture and access support at the earliest opportunity.

When dealing with safeguarding matters, we are conscious of the language and terminology that we use, especially in front of children. Sometimes reference is made to a child who has been subjected to abuse as a victim. However, not all children will consider themselves a victim nor will they want to be referred to in this way. We are conscious of this and when managing any incident, we will be prepared to use terminology that children are most comfortable with.

In guidance we will also at times use the term 'alleged perpetrator' and where appropriate 'perpetrator' and we know that these are widely used terms. However, we know that in some cases the abusive behaviour will

have been harmful to the perpetrator as well and again we will be mindful of appropriate language and will decide appropriateness on a case-by-case basis.

We work closely and restoratively with our safeguarding partners with the confidence to challenge decisions and practice if deemed appropriate.

We are committed to working with parents in a positive, open, and transparent way. We ensure that all parents are treated with respect, dignity, and courtesy.

We recognise the stressful and traumatic nature of safeguarding and child protection work and support staff by providing an opportunity to talk through their anxieties with the DSL and to signpost and seek further support as appropriate.

### 3. KEY PRINCIPLES

The young person or child's needs and welfare are paramount and **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) is a child centred company.** All children have a right to be protected from abuse and neglect and have their welfare safeguarded. Children should be **listened to** and their views and wishes should inform any assessment and provision for them. Staff should always act in the **interests of the child** in order to protect them.

**ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) recognises that scrutiny, challenge, and supervision are key to safeguarding children.**

- At **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** we have a robust Safeguarding training schedule for all staff, which is monitored by the DSL. All staff receive Level 1 Safeguarding training, as required in KCSIE 2021, and receive regular updates through staff meetings, briefings, emails etc. to develop and support robust safeguarding practices amongst all staff.
- The Company has **clear induction processes** for all Members and Associates, and all required documents and policies are provided both at induction, and on a yearly refresh basis for current members. These documents include:

- Part 1 of KCSIE 2022 (**members sign to say that they have read and understand what this means to them in their daily practice**);
  - Code of Conduct;
  - Behaviour policy;
  - the role of the DSL and this Safeguarding Policy as well as peer-on-peer abuse and child on child sexual violence and sexual harassment.
- **All ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) members** will be aware that abuse, neglect, and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases, multiple issues will overlap with one another.
  - **All ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) members** will be aware that safeguarding incidents and /or behaviours can be associated with factors outside of their school or college and /or can occur between children outside of these environments.
  - **All ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) members**, but especially the Designated Safeguarding Lead (DSL) will consider whether children are at risk of abuse or exploitation in situations outside their families. Extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including, but not limited to, sexual exploitation, criminal exploitation and serious youth violence.
  - **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** is committed to working with other agencies to provide **early help** for children before they become at risk of harm or require a 'child in need' statutory assessment.
  - **All** members should be aware of the local early help process and **understand their role in it**. (KCSIE 2021). 'Early Help means providing support **as soon as a problem emerges**, at any point in a child's life, from the foundation years through to the teenage years. '(WT 2018). This includes liaising with the designated safeguarding lead, sharing information with other professionals to support early identification and assessment and, in some cases, acting as the lead professional in undertaking an early help assessment.' (DfE 2018)

- **All ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) members** should be aware of the **process** for making referrals to children's social care and for statutory assessments under the Children Act 1989 that may follow a referral, along with the role they might be expected to play in such assessments. (KCSIE 2021)
- **All ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) members** have equal responsibility to report their concerns about a child or the behaviour of any adult without delay to the Designated Safeguarding Lead. Whilst the Designated Safeguarding Lead will normally make referrals to the relevant Children's Services Department, **any staff member can refer their concerns to children's social care** directly in emergencies or if they feel they need to do so. <sup>2</sup>
- Everyone has responsibility to **escalate their concerns** and 'press for reconsideration' if they believe a child's needs remain unmet or if the young person or child is failing to thrive and in need or if the child is at risk of harm.
- **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** understands its responsibility to **request a statutory assessment** lead by a social worker for any child in need, as defined under the Children Act 1989, who is unlikely to achieve or maintain a satisfactory level of health or development, or their health and development will be significantly impaired, without the provision of services.
- **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** will work in **partnership with other agencies** to promote the welfare of children and protect them from harm, including the need to share information about a child to safeguard them.
- **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** will **work with other agencies** to ensure any actions that are part of a multi-agency coordinated plan are completed in a timely way.

<sup>2</sup> in respect of Staffordshire: Children's Advice & Support on 0800 1313126

- **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** will follow the Local Safeguarding Children's Board's procedures in the Local Authority Area in which it is operating and provide them with information as required.<sup>3</sup>
- Members, young people, children, and families will need support following child protection processes being followed.
- Young People and Children have a right to learn ways to keep themselves safe from harm and exploitation. We will provide opportunities for young people and children to develop skills, concepts, attitudes, and knowledge that promote their safety and well-being.
- Safeguarding issues would be addressed through the PSHE curriculum of a school or youth centre where **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** would be operating, this would include self-esteem, emotional literacy, assertiveness, power, consent, coercion, control as part of healthy relationship education (previously known as sex and relationship education SRE), online safety (formally known as e-safety), sexting and bullying (including cyber bullying). **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** may support the direct delivery of this curriculum. We would also reinforce this in our practice with young People and Children
- All our policies, which support our ethos of safeguarding, will be interlinked with this Safeguarding Policy.

All Members and Associates must read and understand **at least part 1** of [Keeping children safe in education 2022](#) and are aware of the safeguarding link to other policies relating to their daily practice

Local authorities have a duty to make enquiries under section 47 of the Children Act 1989 if they have reasonable cause to suspect that a child is suffering, or is likely to suffer, **significant harm**, to enable them to decide whether they should take any action to safeguard and promote the child's welfare. There may be a need for immediate protection whilst the assessment is carried out.

A **child in need** is defined under the Children Act 1989, as a child who is unlikely to achieve or maintain a satisfactory level of health or development, or their health and development will be significantly impaired, without the provision of services; or a child who is disabled. A social worker will lead and co-ordinate any assessment under section 17 of the Children Act 1989.

## 5. ROLE & RESPONSIBILITIES

### Designated Safeguarding Lead

Our Designated Safeguarding Lead is **Dean Goodwin**

The Designated an (DSL) will carry out their role in accordance with Keeping Children Safe in Education 2022

Please refer to Part 2 & Annex C of [Keeping children safe in education 2022](#)

In addition to the formal training, their knowledge and skills are refreshed at regular intervals, at least annually, through the termly DSL Briefings with appropriate Local Authorities, meeting other DSL's, emails and reading statutory guidance. The training provides DSL with a good understanding of their own role, the processes, procedures, and responsibilities of other agencies, particularly children's social care.

DSL will refer cases of suspected abuse to the local authority children's social care as required. They will represent **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** at child protection conferences and core group meetings. The DSL will be the expert within our setting to support staff in liaising with other agencies, making assessments and referrals. Any member maybe required to be part of strategy discussions with other interagency meetings and contribute to the assessment of child/ren

The DSL should liaise with the three safeguarding partners and work with other agencies in line with Working Together to Safeguard Children 2018.

[NPCC Guidance 'When to call the Police'](#) helps designated safeguarding leads understand when they should consider calling the Police and what to expect when they do.

Oure Designated Safeguarding Lead will, where appropriate:

DSL ensures systems are in place to induct new **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** Members and Associates is robust and

monitored and non-compliance shared with the Board of Directors. DSL ensure induction policy is updated annually in-line with Keeping Children Safe in Education.

### **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) Board of Directors**

The Board of Directors is accountable for ensuring the effectiveness of this policy and compliance.

The Board has a Safeguarding Lead who is **Dean Goodwin**

The **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) Board of Directors** have a strategic leadership responsibility for safeguarding arrangements, and ensure that it complies with its duties under legislation. It has regard to this guidance in ensuring policies, procedures and training are effective and comply with the law at all times. See Part 2 [KCSiE 2022](#).

The Board of Directors ensure that they facilitate a whole setting approach to safeguarding. This means ensuring safeguarding and child protection are at the forefront and underpin all relevant aspects of process and policy development. Ultimately, all systems, processes, policies and practice, should operate with the **best interests of the child** at their heart.

Where there is a safeguarding concern, the Board ensure the young person's or child's wishes and feelings are considered when determining what action to take and what services to provide. Systems are in place and are well promoted, explained properly and easily accessible for children to confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.

The **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) Board** maintains and updates its Policies:

## 6.WORKING WITH PARENTS/CARERS

At **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** we are committed to working in partnership with parents/carers to safeguard and promote the welfare of their children, and to support them to understand our statutory responsibilities in this area.

We are committed to working with parents in a positive, open and transparent way. We ensure that all parents are treated with respect, dignity, and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission, or if it is necessary to do so to safeguard a child from harm.

We will seek to share with parents/carers any concerns we may have about their child before making a referral, unless to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns we have about a child will not prevent the Designated Safeguarding Lead making a referral to the relevant local authority in those circumstances where it is appropriate to do so.

To keep children safe and provide appropriate care for them, **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives.
- Full names and contact details of all persons with parental responsibility (if different from above).
- Emergency contact details (if different from above)

- Health issues or allergies of the young person or child that may be relevant in their attendance at sessions
- Full details of any other adult authorised by the parent to collect the child from session (if different from the above).

### **Children potentially at greater risk of harm**

All **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) Members and Associates** recognise that some groups of children are potentially at greater risk of harm than others. This list is not exhaustive but highlights some of these groups: -

- Children who need a social worker (Child in Need & Child Protection)
- Children missing from education
- Elective Home Education (EHE)
- Children requiring mental health support
- Looked after children and previously looked after children

Paragraphs 170-204 of Keeping Children Safe 2022 explain in more detail about these groups. We support these groups by having: -

## **8. MANAGING ALLEGATIONS AGAINST ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) Members and Associates**

Our aim is to provide a safe and supportive environment securing wellbeing and best possible outcomes for the children with whom we work. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

The **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC) Board of Directors** ensure that there are procedures in place for dealing with the two sections covering two levels (see below) of concern and/or allegations against staff members, supply staff, volunteers, and contractors.

- Allegations that may meet the harms threshold.
- Allegation/concerns that do not meet the harms threshold – referred to for the purposes of this guidance as ‘low level concerns’.

### **Allegations that may meet the harms threshold**

We have an good understanding and give due regard to Part 4 of [KCSiE 2022](#) guidance and [SSCB Allegations of abuse made against a person working with children](#) where it is alleged that anyone working in our education setting providing education for children under 18 years of age, including Associates has:

- **behaved in a way that has harmed a child or may have harmed a child and/or;**
- **possibly committed a criminal offence against or related to a child and/or;**
- **behaved towards a child or children in a way that indicates he or she may**
- **pose a risk of harm to children; and/or**
- **behaved or may have behaved in a way that indicates they may not be suitable to work with children.**

If an allegation is made or information is received about an adult who works at **ACHIEVE INSPIRE and MOTIVATE CIC (AIM CIC)** which indicates that they may be unsuitable to work with children, the member receiving the information should inform the Designated Officer. They would contact the DSL within the site or premises where the work is being delivered, for example the school, youth centre or outdoor facility. They would also seek advice from the LADO within one working day. No member of staff or the governing body will undertake further investigations before receiving advice from the LADO.

Allegation/concerns that do not meet the harms threshold – referred to for the purposes of this guidance as ‘low level concerns’.

We are aware that concerns may arise in several ways and from several sources, for example: suspicion; complaint; or disclosure made by a child, parent or other adult within or outside of our setting; or as a result of vetting checks undertaken.

We have the appropriate policies and processes in place to manage and record any such concerns and take appropriate action to safeguard children.

We understand how crucial it is that any such concerns, including those which do not meet the harm threshold, are shared responsibly and with the right person, and recorded and dealt with appropriately. Ensuring they are dealt with effectively will also protect those working in or on behalf of our setting from potential false allegations or misunderstandings.
